it REFLECTS US as we ARE.

THE ELK

ELKIN HIGH SCHOOL

ELKIN, NORTH CAROLINA

NINETEEN HUNDRED SIXTY-SIX

VOLUME TWENTY

Time passes quickly and our high school years are the most important years of our life. We can spend these years in preparation of the future or we can waste them, but they soon flee into the past.

Weeks of preparation, instruction, testing, and grading papers give each faculty member the rewarding feeling of having touched the mind of each student with some degree of knowledge.

Hours of study in classes at Elkin High School prepare the students for the future.

Monthly organizational meetings of the clubs give the students at EHS the opportunity to participate in various extracurricular activities.

Days of drill, practice, coaching, and faithfulness account for the great records that we have achieved in athletics this year.

Years of service and dedication given freely by individual students at EHS for the benefit of the school are climaxed in recognition of these students.

Minutes passed by too quickly for the students involved in the many facets of school life during this year at EHS.

Time and again we ask the merchants of the surrounding areas to support our yearbook and they graciously consent each year.

Dedicated to
JULIA HOLTHOUSER

WEEKS

Weeks of preparation, instruction, testing, and grading papers give each **faculty** member the rewarding feeling of having touched the mind of each student with some degree of knowledge.

Mr. N.H. Carpenter, superintendent

Mr. Blois Grissom, principal

Our **superintendent**, our **principal**, and our **school board** have but one desire for the students at Elkin High. This desire is that all students receive the fullest possible education under the most enjoyable and enlightening circumstances.

Mr. N.H. Carpenter, Mr. Richard J. Atkinson, Mr. Joe G. Bivins, Mr. Wade C. Hampton, Mr. John H. Haynes, and Dr. Claude A. McNeill, Jr., School Board.

THE KEY TO SUCCESS. . .

in any field must be based on the ability to communicate. For this reason the **English Department** is one of the fastest-growing departments at Elkin. **Mrs. Shirley Martin, Miss Elizabeth Smathers, Mr. A.D. Hiatt, Mr. Malvin Swicegood, Mrs. Lake Haynes, and Mr. Phillip Royall** work together for the improvement of **EHS** students' understanding of English.

A PLACE WHERE . . .

one may go to study or just relax with a good book is our **Library**. Under the supervision of **Miss Ann Sebastian**, the library is a very important part of our school which enriches the minds of the coeds of **EHS**.

THROUGH THE TONGUES . . .

of men speak the voices of nations. With this thought in mind, **Miss Emma Cooke** and **Mr. Phillip Royall** of the **Foreign Language Department** instruct students in Latin and Spanish.

A LOOK INTO THE PAST . . .

helps one to understand the present and gain an insight into the future. This is the purpose of the **History Department**. Courses in U.S. History, World History, Western Civilization, and Problems of Democracy are taught by **Miss Karen Mooth, Mrs. Julia Holthouser, Mr. Malvin Swicegood, Mr. Bill Davis, and Mrs. Lake Haynes.**

THE FASCINATION OF . . .

the study of **Mathematics** draws many students of **EHS** to take the varied courses offered. Students may take Plane Geometry, Algebra I, Algebra II, Math IV, and General Math. **Miss Emma Cooke, Mrs. Jane Hoover, Mr. David Craig, Mrs. Mary Leslie Bivins, Mr. Claude Eldridge, and Mr. Phillip Royall** instruct students in these courses.

THE SOUND OF MUSIC . . .

often fills the air around **EHS**. The **Band** and **Glee Club** along with the **Stage Band** and **Folk Singers** under the direction of **Mr. Roy Russell** are continually working to help develop their musical talents and give the school and faculty a taste of good music.

WORKING AND LEARNING . . .

while still in school is the goal of the **Vocational Department**. **Mr. Claude Eldridge** and **Mrs. Thelma Nixon** work with students taking **D.E.** and **I.C.T.** to learn the principles of good business.

IN OUR WORLD TODAY . . .

the importance of the study of **Science** is continually increasing. **Mr. Robert Walker, Mrs. Jane Hoover,** and **Mr. Bill Davis** are always striving to give the students of **EHS** the best possible instruction so that the students may better understand their complex world. Courses offered for students include General Science, chemistry, biology, and physics.

A PERSON WELL TRAINED . . .

in the field of **Business** can easily take his place in the working world. **Mr. Ronnie Hooper** teaches bookkeeping and typing to all students interested in business for either a career or practical purposes.

TO BUILD AND TEACH . . .

is the aim of the **Physical Education Department**. **Mrs. Mae Pardue, Mr. John Charles, Mr. Bill Davis, Miss Martha Petite, and Mr. David Craig** work together not only to help students build a strong, healthy body but also to help them understand the basic fundamentals of a variety of games and to instill in them the ideas of good sportsmanship.

TWO VERY DIFFERENT . . .

but yet similar courses taught at **EHS** are **Vocational Education** and **Home Economics**. **Mr. Dale Aldridge** and **Mrs. Virginia Reece** instruct coeds in the skills they need to become useful members of society.

THE BEAUTY OF . . .

the world of **Art** has been brought to Elkin High this year through the efforts of **Mrs. Emiko Goodman**. Students spend many hours after school perfecting their artistic talents. The course has been a great success for the students, as well as the school.

THE DESIRE TO HELP . . .

every student at Elkin become a useful and happy person in society is the goal of the **Guidance Department**. **Miss Ruth Thompson** is always ready to assist students not only with academic problems but also with those concerning other facets of life.

AN INDISPENSABLE AND DIVERSIFIED . . .

member at **EHS** is our **Secretary, Mrs. Brenda Perry**. Her job includes taking care of all money matters and paper work besides always lending a helping hand to all.

AN EFFICIENT STAFF . . .

of **lunchroom workers** works each day to prepare good nourishing food for the students at **EHS**. These workers are **Mrs. Edith Harpe**, **Mrs. Bernice Gentry**, **Mrs. Faye Couch**, and **Mrs. Grace Swaim**.

AN IMPORTANT JOB . . .

at **EHS** is the **maintaining of the cleanliness** of the school. **Omer Thompson** and **Christine Walker** work hard at this often thankless and tiresome job so that the students may have a school to be proud of. (**John Bryant** not pictured)

LEARNING TO DRIVE . . .

is a very important part of one's education. **Mr. Bill Davis** instructs students in many phases of driving ability and safety in **Driver's Training**. The course includes in-class study and actual driving on the highway.

THE RESPONSIBILITY OF . . .

transporting hundreds of students to and from school each day lies in the hands of the **Bus Drivers**. **S. Salley, R. Boyd, S. Combs, A. Thompson, B. Childress, J. Hayes, N. Eldridge, and S. Thomas** discharge their duties with the utmost care.

TIME

HOURS

Hours of study in **classes** at Elkin High School prepare the students for the future. For the **eighth grade** it's four years more with hope and inspiration to achieve a high score.

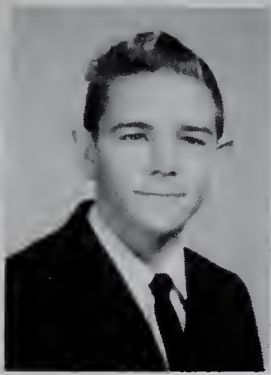

For the **eighth grade class**, the first year at **E.H.S.** was a confusing experience for the class of '70 undertook a new way of life. Heading the class

were **Patty Bryan**, secretary; **Bobbie Newman**, vice-president; and **Robert Holthouser**, president. **Cathy Kirk**, not pictured, served as treasurer.

Monthly organizational meetings of the clubs give the students of **EHS** the opportunity to participate in various **extracurricular activities**.

President - Rick Gentry

A VITAL SERVICE ORGANIZATION . . .

of **EHS** is the **Student Council**. Under the leadership of Rick Gentry the council has shown itself a major part of school life, by monitoring the lunchroom, sponsoring Youth Centers, the Homecoming Dance, the Valentine Dance, and the annual council elections.

and time spent in our athletic program at **EHS** has surpassed that of years before. Elkin is indeed fortunate to have the staff of coaches associated with our school. Our **Coaches** are young men with a seemingly endless supply of energy and ideas. Having a winning team is important, of course, but our coaches stress something else above winning, the development of the character, attitude, and physical condition of boys. Coaches **C. The 1965 Elkin High School **football team** achieved one of the best records in the history of **EHS**. The team won ten games during the regular season without a loss. During the season the Bucking Elks scored a total of **267** points to their opponents' **38**. The Elks tough defense consisting of Mike Walters, John Sullivan, Bud Grissom, Jim Carson, John Anderson, Allan Dameron, and Tom Metz was a contributing factor in the Elks' first undefeated season.

The Elks' explosive offense was triggered by

junior fullback Rick Callaway, who, with freshman quarterback Johnny Charles, and senior halfback Tom Metz, carried most of the offensive load for the Elks. Johnny Charles' favorite target was senior end John Atkinson, who led the Elks in the pass receiving department.

It was a glorious season for head coach John Charles and assistant Ron Hooper's undefeated Elks. The Elks won the **District 7 AA** conference championship and advanced into the Northern Division AA District Championship.

... Seniors in a huddle ...

Elkin advanced into the **District 7, 2A** playoffs against Maiden High School. The Elks took their ten straight wins into the game that was played in a steady rain throughout the game. The Buckin' Elks played a tremendous game but met defeat for the first time 13-0.

... Time Out ...

WITH SORE MUSCLES . . .

from long hours of hard practice, the Buckin' Elks' basketball team began the 1965-66 season with anticipation of a better record than the previous years. Newly appointed head coach Ron Hooper had only five returning letterman, with John Atkinson being the only returnee from last year's first team.

Injuries and the lack of height plagued the smaller Elks throughout the season. Although they lacked height and an experienced bench, the starting quint managed to excute the fast break against the taller teams. As the season progressed the Elks' hustling defense, aided by improved reserves, used the press more effectively.

THE TEAM BEHIND THE TEAM . . .

with their faces glowing with anticipation, mud-streaked tennis shoes, wind blown hair, frostbitten cheeks, and their blue and gold uniforms, all of these bound together form our symbol of school spirit, the **cheerleaders**.

Sparking all of the football and basketball games, the cheerleaders stimulate interest at games. These girls prepare the attractive posters urging students to attend all games, and co-operate with the student body in producing school spirit throughout the year.

Chief: **Holly Neaves** and Co-Chief **B. Wooten**.

Years of service and dedication given by individual students at **EHS** for the benefit of the school are climaxed in **recognition** of these students.

NOT ONLY BEAUTY . . .

but the ability to bear it with grace.

Miss Deborah Kay Triplette
Homecoming Queen of **1965**

Miss Suzanne Gwyn Chatham
Class of 1967

Miss Linda Jo-Ann Walters
Class of 1968

TO REPRESENT ONE'S CLASS . . .

in the **Homecoming** festivities is one of the greatest honors which can be awarded. Not only is it a tribute to an attractive exterior but it shows an inner beauty which accompanies too few.

Miss Rebecca Ann Newman

MINUTES

Minutes passed by too quickly for the students involved in the many facets of **school life** during this year at **EHS**.

Fall begins and the doors of **EHS** are open once more; there is respect for seniors, junior magazine sales, and selection of mascots in early preparation for graduation.

Homecoming is a gay sentimental time bringing together old and new. For the new, it is a time when with eyes wide they view the exciting sequence of events. For the old, it is a time when acquaintances are renewed and memories are recalled.

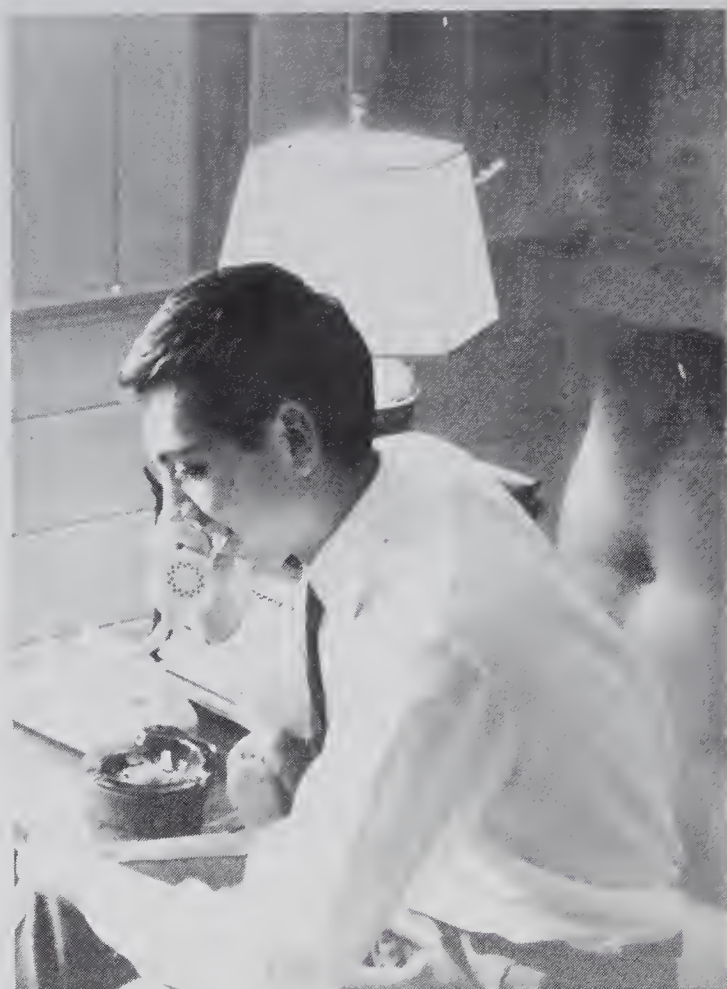

There were times we thought we would win; other times we knew we would. Our team, our cheerleaders, and our faculty and students were responsible for our winning season in football.

Dashing ...
 through **winter** with college day ...
 basketball ... and holiday activities.

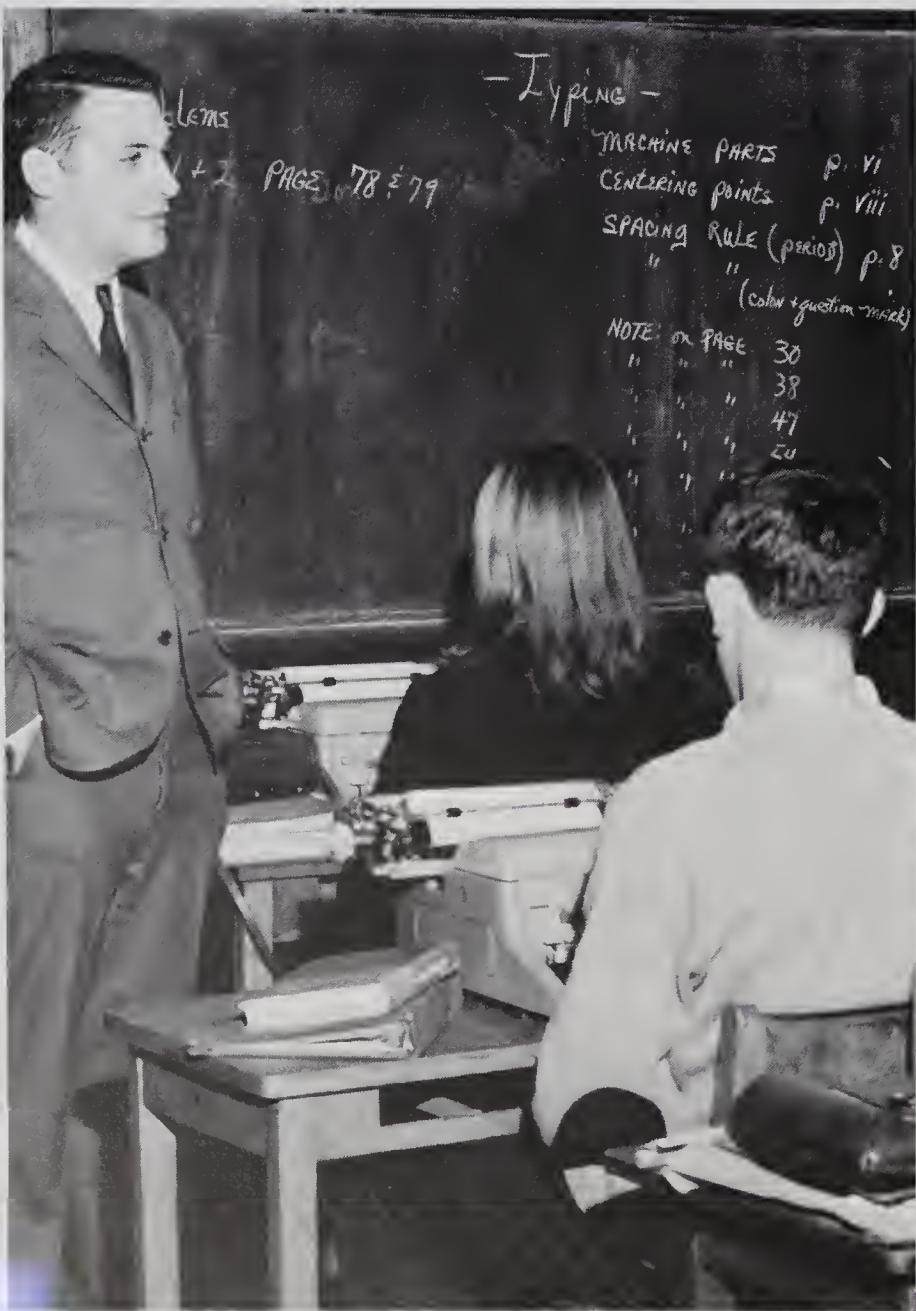

Elkin students supported their Student Council in its projects and at the student store ... Spring draws near as the Juniors plan an unforgettable prom and the Seniors prepare to leave for Washington.

Spring ... a state of mind at Elkin High.

Joy ...
Fun ...
Seasons in the sun
But the hills that we climbed
Were just seasons out of time.

Time passes quickly and our high school years are the most important years of our life. We can spend these years in preparation of the future or we can waste them, but they soon flee into the past.

To have a . . .

yearbook more outstanding and unique than any yearbook has taken the unselfish devotion of many people and many hours of hard work.

Mrs. J. Walker and R. Hunter gave us their experienced advice and ideas and patiently helped us in drawing the layout.

The professional photographers G.L. Millsaps Jr., B. Lackey, J. Cockerham, and our own photographer Mac McNeill have done excellent work in photographing the persons, places, and objects revealed in this book. Mac spent many hours capturing the best pose to make our yearbook entertaining and interesting.

Troy Harmon, our business manager who handled thousands of dollars in business transactions, kept accurate records.

Janice Cochran, editor of the administrative section; Johnnie Mayberry, editor of the class section; Lestine Holloway, editor of the organizations section; Sam Mounce, editor of the sports section; Bobbi Taylor, editor of the advertising section; and Pam Osborne, editor of the recognition section were ably assisted by the other members of the journalism class in making each section a highlight of the yearbook.

Our thanks go to Libby Smith, editor of our yearbook, who unselfishly gave of her time in working with each of us. Her many hours devoted to the yearbook shall not soon be forgotten.

Mr. Hiatt, who patiently guided us and devotedly worked with us never complaining about our many mistakes without just reasons, has been the most valuable asset in making our annual what it is.

Thank you all for your hard work, great patience, ideas and guidance.
